Two musical exercises are shown, each with a fretboard diagram above a staff of music. The fretboard diagrams consist of a grid of boxes representing frets and strings. Each box contains a number from 0 to 4, indicating the fret number for that string. The first exercise has 8 fretboard diagrams, and the second has 9. The musical staves show notes corresponding to the fretboard diagrams, with the first note of each exercise being a half note on the 2nd fret of the 2nd string (G).
